

Young Women's Program

Empowerment Program

The Importance of Disability Awareness

Disability awareness helps in subsiding the stereotypical mindset of the society. People with disabilities, like everyone else, wish to be seen for who they are that take part in everyday life.

Let's work together and raise awareness. Let's create meaningful content and share it on your social media platforms.

MEETING SCHEDULE

1st & 3rd Friday every month from 4:00-5:00

To register, please contact IWD at 212-598-6429

Zoom Meeting ID: 979 1574 0706

Zoom Passcode: 2125986429

This Young Women's and Empowerment crossover project aims to raise awareness and educate people about disability.
