**FOR MEDICARE INPATIENTS**

We also give all Medicare patients a copy of an Important Message from Medicare about your right to appeal your discharge date. Please read it, and keep your copy. We will review it with you again before your discharge.

Medicare also requires us to check very carefully for any other private insurance or other agency that might pay for all or part of your care here. Please let us know about any other insurance, clinical trials, accident claim, or retirement benefits, or any other source that might pay for your care.

Thanks.

**MEDICARE SIGNATURE-ON-FILE (Medicare Patients Only)**

I request that payment of authorized Medicare benefits be made either to me or on my behalf to all providers who treat me during my hospital stay for any services furnished to me by those providers. I authorize the holder of medical and other information about me to release to Medicare and its agents any information needed to determine these benefits or benefits for related services.

**60-DAY LIFETIME RESERVE DAYS for HOSPITAL INPATIENT SERVICES**

Medicare Part A benefits pay for all or most of your first 90 days of hospitalization every benefit period (a new benefit period starts 60 days after you are NOT an inpatient). Medicare pays, over the course of your lifetime, for an additional 60 days of hospital care, beyond your Part A benefits, subject to a coinsurance payment for which you are responsible. The 60 days are a lifetime maximum, and once payment is made, the 60-day reserve will be permanently reduced by the number of days used. Do you wish to have payment made under this provision for your present hospital stay?

## An Important Message From Medicare About Your Rights

---

### As A Hospital Inpatient, You Have The Right To:

- Receive Medicare covered services. This includes medically necessary hospital services and services you may need after you are discharged, if ordered by your doctor. You have a right to know about these services, who will pay for them, and where you can get them.
- Be involved in any decisions about your hospital stay, and know who will pay for it.
- Report any concerns you have about the quality of care you receive to the Quality Improvement Organization (QIO) listed here:  
IPRO, at 1-800-331-7767, or for TTY: 1-866-446-3507 or 516-326-6182.

### Your Medicare Discharge Rights

**Planning For Your Discharge:** During your hospital stay, the hospital staff will be working with you to prepare for your safe discharge and arrange for services you may need after you leave the hospital. When you no longer need inpatient hospital care, your doctor or the hospital staff will inform you of your planned discharge date.

### If you think you are being discharged too soon:

- You can talk to the hospital staff, your doctor and your managed care plan (if you belong to one) about your concerns.
- You also have the right to an appeal, that is, a review of your case by a Quality Improvement Organization (QIO). The QIO is an outside reviewer hired by Medicare to look at your case to decide whether you are ready to leave the hospital.
  - **If you want to appeal, you must contact the QIO no later than your planned discharge date and before you leave the hospital.**
  - If you do this, you will not have to pay for the services you receive during the appeal (except for charges like copays and deductibles).
- If you do not appeal, but decide to stay in the hospital past your planned discharge date, you may have to pay for any services you receive after that date.
- Step by step instructions for calling the QIO and filing an appeal are on page 2.

To speak with someone at the hospital about this notice, at Tisch call Patient Relations at (212) 263-6906, or at HJD call Patient Experience at (212) 598-6336.

- **Step 4:** The QIO will review your medical records and other important information about your case.
- **Step 5:** The QIO will notify you of its decision within 1 day after it receives all necessary information.

  - If you have Original Medicare: Call the QIO listed above.
  - If you belong to a Medicare Advantage Plan or other Medicare managed care plan: Call your plan.
