

Summary of Faculty Group Practice Financial Policies

Thank you for choosing NYU Langone Medical Center for your medical care. We appreciate that you have entrusted us with your health care and we are committed to providing you with the best patient care possible.

Because healthcare benefits and coverage options have become increasingly complex, we have developed this financial policy to help you better understand your responsibilities as a patient. We will do our best to assist you with understanding your proposed treatment and in answering questions related to submitting your insurance claim for reimbursement.

Your health insurance policy is a contract between you and your health insurance company or your employer. Please note it is your responsibility to know if your insurance has specific rules or regulations, such as the need for referrals, pre-certifications, pre-authorizations, limits on outpatient charges, and any requirements for specific physicians, labs and/or hospitals to use. You should be knowledgeable of any deductibles, copayments, and/or coinsurance. This applies to all payors regardless of whether or not our physicians participate.

If you are uncertain about your current health insurance policy benefits you should contact your plan to learn the details about your benefits, out-of-pocket fees, and coverage limits.

PLEASE KEEP THESE POLICIES FOR FUTURE REFERENCE

Insurance Coverage

Please provide us with your current insurance plan information at the time of each visit and notify us of any changes. We will request a copy of your insurance card to copy or scan and keep on file for our records.

Please be aware of and provide any required referrals or authorizations in advance of the appointment or service. If you do not provide these before care is provided, you will be responsible for the cost of the care. When in doubt, contact your plan directly for clarification.

Our doctors belong to many insurance plans but participation differs by doctor. You can see a list of plans that our physicians participate with on our website (<http://nyulangone.org/doctors>). Before your appointment, please be sure your doctor is **in-network** and the services are covered under your plan. If your doctor is **out-of-network**, you will be billed for the costs of care. If you would like a cost estimate, we would be happy to provide one. We will also help you find out if you have out-of-network benefits. Refer to our out-of-network policy below for more details.

Please let us know at any time if you **do not** want us to submit a claim to your plan.

Address Change

It is important that we have your correct address information on file. Please advise us anytime there is any change to your address, telephone or other contact information.

Co-payments/Co-insurances/Deductibles

You are expected to pay your co-payment and any co-insurance and/or deductible amounts, if known, at the time of service.

Other Bills

You may receive services at NYU Langone Medical Center such as anesthesia, radiology testing, pathology, or other services. These doctors provide vital services and are involved in your care even though they may not be present at the time and you may not see them face-to-face. There may be additional charges for these services.

In addition, you may receive in-patient or out-patient hospital care at NYU Langone Medical Center. If so, you will receive a hospital bill for those services. Hospital bills are separate from our doctor services. If you have questions, you may contact the hospital billing office at (800) 237-6977.

Payments

Payment is due at the time services are provided or upon receipt of a statement from our billing office. We accept payment in the form of cash, check, money order or credit card (*American Express, MasterCard, Visa and Discover*). Returned checks are subject to a fee of \$20.00. We do not accept traveler's checks.

As a service to our clients, we provide a courtesy [bill pay reminder] call and possibly other important calls that may be placed using a prerecorded message. By providing your cell phone number, you consent to receiving such calls at this number.

Out-of Network Providers

- Full payment is due at the time of service for routine visits.
- Payment expected on the date of service may be an estimate of your total charges.
- You will be quoted an estimated fee before services/procedures are performed.
- A deposit is required prior to the date of service for elective surgeries and procedures.
- Even if you have out-of-network benefits, you are ultimately responsible for the full fee charged.
- Depending on your plan, payment may be sent to you. If you receive this payment, you must reimburse NYU Faculty Group Practice immediately.

Non-Covered Services

Medicare Patients. Medicare may not cover some services your doctor recommends. You will be informed ahead of time and given an Advanced Beneficiary Notice (ABN) to read and sign. The ABN will help you decide whether you want to receive services, knowing you are responsible for payment. You must read the ABN carefully.

Non-Medicare Patients. Any service not covered by your plan are your responsibility and must be paid in full at the time of service or upon receiving a bill.

Refunds

All credit balances will automatically be applied to any open balance on your account, including any amounts owed to other NYU Faculty Group Practice providers. A refund is issued (less any outstanding balances) when an overpayment has been identified. If you feel a refund is due and you have not received one, please contact our billing office at (877) 648-2964.

Failure to Pay

If you do not pay your bill, your account may be sent to an outside collection agency. If your account is sent to a collection agency, you will need to contact them directly to settle your balances.

Policy and Fee Changes

These policies and fees are subject to change. We will do our best to keep you informed of any modifications.

We know medical care can become expensive. If you have concerns about your ability to pay, you can contact us for help in managing your account. If you have questions about these policies, feel free to ask any of our Managers for more details or call the billing office at the number listed on your billing statement.
