

Identifier (i.e., Patient A, Employee B, Respondent 1) or Name (only if requested by stakeholder)	Organization (if applicable)	Date(s) of outreach	What required stakeholder group did they represent?	If other, please describe	Is this person/organization a resident of the project's service area?	Method of engagement (i.e., phone calls, community forums, focus groups, surveys, etc.)	Did this person/organization participate in the meaningful engagement?	Is this person/organization supportive of this project?	Did this person/organization provide a statement?	If permission is granted to share a statement or quote (250 word max), please include below:	If permission is not granted to share a verbatim statement, please include a summary of the statement(s) below:
Michelle Romano Shami	NYU Langone	6/27/2024	organizations representing employees of the Applicant		No	Zoom interview	Yes	Yes	yes	I do feel that this new facility, as we discussed, is going to open access to care to some patients who would otherwise not be able to receive the high quality care that comes with the NYU standards by having a location that's closer to their home.	
Sherlita Amler	Department of Health	7/13/2024	public health experts		Yes	Zoom interview	Yes	Yes	yes	In Westchester, we welcome medical care in every form. I think the biggest problem we have right now is access to primary care and I think that is going to be the biggest hurdle that this facility is going to have, that people have problems getting into primary care to be seen and to be referred.	
Patient 1		7/27/2024	residents of the project's service area		No	Zoom interview	Yes	Yes	yes	Thoughts on having the ambulatory service in White Plains is gonna be a plus for everyone coming north, coming South, East, West, it'll take the burden and the fare of people going into the city to be in White Plains. It's more relaxed and the same service that we're gonna have, I think it's a plus all around for everything, anything you're gonna do. White Plains is definitely a place to be in.	
Brittaney Jones-Alleyne	Broadview at Purchase College Senior Living	9-Jul	community leaders		Yes	Zoom interview	Yes	Yes	No		
Patient 2		14-Aug	residents of the project's service area		Yes	Phone interview	Yes	Yes	No		
Patient 3		8/14/2024	residents of the project's service area		Yes	Phone interview	Yes	Yes	No		
Patient 4		8/15/2024	residents of the project's service area		No	Zoom interview	Yes	Yes	Yes	For me, personally, I would love it if there was a surgery center here so that if I, needed surgery down the line, I didn't have to go to Manhattan, care close to home.	
Patient 5		8/16/2024	residents of the project's service area		yes	Phone interview	Yes	Yes	No		
Patient 6		8/20/2024	residents of the project's service area		Yes	Phone interview	Yes	Yes	Yes	I think it's a good idea, but as I said, then you can't complete the deal in White Plains, it's not worth it. To me, it's not worth it. I am very happy that I'm able to see my doctor in White Plains, and he has office hours there once a week, and I can go there, which is great. But the initial if I went there, and then I was told I had to go into Langone in the city. Now fortunately, we can do that. But maybe next year wouldn't have been able to do that. I would have checked, probably, ahead of time if the whole procedure would be taken care of at White Plains. If I couldn't, I wouldn't go there initially at all.	
Patient 7		8/21/2024	residents of the project's service area		Yes	Phone interview	Yes	Yes	No		
Patient 8		8/28/2024	residents of the project's service area		Yes	Phone interview	Yes	Yes	Yes	The staff from the clerk to the medical staff has all been a pleasant experience.	
Maria Gbur		9/10/2024	public health experts		Yes	Phone interview	Yes	Yes	Yes	I'm hoping it also has some sports medicine orthopedics that are geared toward sports medicine. That would be helpful in this area.
