Dear Applicant:

Thank you for your interest in the NYU Langone Child Study Center’s Summer Program for Kids (SPK), a five-week, all-day therapeutic program for children with Attention-Deficit/Hyperactivity and Behavior Disorders. The program will run out of The College of New Rochelle, New Rochelle, NY, beginning first week of July.

Please respond to all the information asked on the application, and provide as much detail as possible, particularly when describing your experience with children.

In addition to a completed application, candidates must submit three academic or professional letters of recommendation, a copy of your current transcript, and a current resume. You should request letters of recommendation from professors and supervisors who know you well and who are able to relate your skills to the position for which you are applying. Since it will likely take time to forward this information, please do not wait for this information to submit your application. Just send an attached note stating that the information will be forthcoming. Please send all materials to us either by mail to the address below, email to donofd01@nyumc.org, or fax to (646) 754-9854.

When most of the materials have been received and reviewed, we will contact you about the status of your application. If you do not hear from us within a few weeks of sending your application, please contact us to follow up.

Please do not hesitate to contact us at (516) 358-1811 if you have any questions.

Thank you for your interest in a summer position with our program.

Sincerely,

Karen Fleiss, PsyD
Assistant Professor, Child and Adolescent Psychiatry
Clinical Director, Child Study Center—Long Island Campus
Director, NYU Langone Summer Program for Kids

SUMMER INTERNSHIP

Counselor Interns Needed for Summer Program for Children with Attention-Deficit/Hyperactivity Disorder (ADHD)

The NYU Langone Child Study Center is looking to recruit recreational and educational counselor interns for the Summer Program for Kids (SPK), an all-day, evidence-based, therapeutic program, devoted exclusively to 7-10 year old children with Attention-Deficit/Hyperactivity Disorder (ADHD). This is an unpaid internship for professional development and/or NYU school credit. Interns will be under the direct supervision of a trained professional.

The SPK is located at The College of New Rochelle, New Rochelle, NY, and is directed by Dr. Karen Fleiss, a nationally-renowned clinical psychologist and expert in the treatment of children with ADHD. In addition, ongoing consultation is provided by Child Study Center clinicians with expertise in the treatment of ADHD and related behavior disorders. The SPK provides intensive weekday treatment tailored to children’s behavioral and educational needs. During the program, children are placed in age-similar groups of 12-14 children, and are supervised by five counselors (and one lead counselor per group). In order to improve classroom behavior, three hours a day are devoted to classroom intervention. During this time, children are supervised by Classroom Leaders in a structured setting. Children spend the remainder of the day in recreational activities during which time the counselors implement a comprehensive behavior modification system. Treatment components include a point system, response cost, time out, group problem-solving, social skills training, sports skills training, as well as other strategies.

- Students (NYU and non-NYU) can elect to participate in the SPK as a counselor intern for professional development, OR
- Students (NYU and *non-NYU) can participate as an NYU student and take the position as a 6-credit course (3 credits didactic/3 credits practicum (Tuition: Approx $1,450 per credit).

(*If you are not an NYU student, and are interested in taking the course, please inquire at your university to determine if credits earned can be transferred.)

The position provides junior and senior level undergraduate, and graduate level students with a valuable opportunity to receive training and gain experience with children in a clinical setting.

- Excellent opportunity for graduate school and work recommendations
- Gain clinical experience with children with ADHD and behavioral concerns
- Learn and use behavioral treatment strategies
- Receive daily supervision by clinical psychologists

Counselors are required to complete approximately 3 weeks of training with our clinical staff before the start of the program. Training will begin on June 11th and will be held at our New York, NY office. Summer Counselor Interns work Monday through Friday, typically from 7:30 am to 5:30 pm. In addition, Summer Lead Counselor Interns participate in parent training activities one evening a week between 5:15 pm and 7:15 pm. The summer program will begin on July 2 and will run through to August 3rd, 2018.

We are seeking intelligent, professional, and nurturing individuals with:
- Excellent academic skills, preferably psychology or education majors; currently enrolled or recent graduates
- Strong interpersonal skills
- Experience working with children; ability to be playful
- Capability to react quickly and to deal with stressful situations
- High level of motivation, enthusiasm and energy!
- Eagerness to learn: ability to accept and utilize constructive feedback
- Sports skills and knowledge (basketball, kick ball, softball, soccer, and swimming)

Please call (516) 358-1811 or visit our website at www.nyulangone.org/csc for an application.
